We believe that everyone has the right to feel safe all the time. Children learn best when they experience success and have positive self-esteem. **Kimba Community Kindergarten will provide a safe, inclusive, supportive learning environment free from bullying.**

How Unacceptable Behaviour will be Managed

When unsafe/unacceptable behaviour occurs, staff will:
1. Redirect the play of the child
2. Offer choices/ give warnings
3. Talk about the problem (eg “what would happen if…..”)
4. Help children find strategies to deal with the issue

If the unsafe behaviours are repeated, staff will:
5. Use time away
Time away will only be for a brief period and the child will not be left on his/her own. Time away will be carried out by staff, not volunteers or students. The child can leave when the timer runs out. If he/she leaves before, the time will begin again.
